MoveOn.org Political Action On False Statement by Tom DeLay's Defense Lawyer Dick DeGuerin

Statement by Tom Matzzie, Washington Director of MoveOn.org Political Action

“Tom DeLay is a key part of the culture of corruption in Washington. We’re not surprised that DeLay and his lawyer Dick DeGuerin are making things up. We’re not selling t-shirts. DeGuerin has either bad information or lied in court. Americans are sick of the corruption in Congress and think it will be a better place without Tom DeLay.”
